WELCOME

We're glad you're getting involved in this year's 4-H Day event! Whether you're giving a talk, singing a solo or participating in a skit, the public presentation skills you are building will last you a lifetime!

As you know the 4-H Motto is "***To Make the Best Better***". That means that in whatever we do we should learn from our mistakes and try to improve upon it the next time. I congratulate you on being involved with this important event and wish each of you the best as you work to make your own personal "***Best Better***".

A Few Notes:

Please respect school property. If it is not yours, please don't touch it! Please stay in designated areas only. Please help to keep the facility clean. ***Please, no animal bedding in the building.*** As we wrap up the event, we want to be able to leave the school facility in as good or better condition than when we came in for a 4-H event. Let's work together to set a great example of 4-H in our community!

We do need to make an attempt to stay on schedule. If there are cancellations, a 4-H'er may choose to give his/her presentation before the scheduled time. If so, please inform your leaders and door monitor. If you are waiting for family to come and watch, we will keep you at your appointed time. Don't get excited if things don't run exactly on time, we'll adjust accordingly and try to keep everyone informed.

If for some reason, you are forced to cancel, please let the Extension Office staff know ahead of time, if possible. Check the website for the final schedule on Friday, March 2.

Top Blues – Those receiving a Top Blue in a division may represent Ellis County at the Regional 4-H Day in **Stockton on Friday, April 6.**
