June 15, 2018

The countdown to the Fair is on! Congratulations to your club on the great herdsmanship job in 2017. One of the benefits of winning herdsmanship is the opportunity to select your stalling location for the 2018 Ellis Co. Fair.

Enclosed is a barn map. Please visit with your members in the project area and indicate on the barn map your stall preference for this year's fair. We will work with the stalling committee to do our best to accommodate your request.

Remember, we stall bucket calves at the South end of the Beef Barn. We also stall swine at the North end of the Sheep, Swine and Goat Barn.

Please take a few minutes to complete this request and **return it to our office by July 9.**

Let us know if you have any questions.

Again, congratulations on a job well done! We'll look forward to seeing how your club shows its "4-H Pride" at this year's Ellis County Fair!
