This is a short version of our usual newsletter!

Between the holidays and moving the office (with all of the IT that includes), I wanted to send out some information but encourage families to watch the Facebook page and for a January newsletter in a few weeks.

Thanks so much to the 4-H youth and families who have helped with the move in some way. Your energy, experience, strong backs, and trailers were much appreciated!

As 4-H members set goals for the new year and begin project work, keep in mind that we have a wide variety of curriculum for check-out!

The last couple of years have been tough on many families; I hope you’ll join me in looking for ways to show kindness and compassion to others.

Life is a Grand Adventure – Make every day count!

****If you have not provided your updated officer/leader/meeting information to the Extension Office—please do so immediately. We build email lists and update the website with this information.

**For club accounts which are mailed to the Extension Office, don’t forget to change the address to 3007 10th Street beginning in December. We have set up new “mailboxes” for the clubs—stop by and see us!

Club Resources—are you stretched finding new ways to engage 4-H members at meetings? Check out these great resources!! https://www.kansas4-h.org/resources/leader-resources/clubcorner/index.html

CLUB LEADERS—It is very important that you set up a Volunteer Profile in 4-H Online and verify that you have completed the volunteer training in 4-H Online! This helps us manage volunteer resources, training, and certification. Please remember that in order for a 4-H Club to be in good standing you must have TWO leaders who have current 4-H volunteer certification.
