

Cottonwood Extension District: Barton County 4-H Newsletter **July 2026**

Well, we have survived another wonderful Barton County Fair!

I hope everyone has taken the time to reflect and say thank you for all the hard work that went into planning, implementing, and wrapping up the county fair. This includes the work that went into obtaining awards, finding judges, securing sponsors, setting up, cleaning the grounds, and much more. Above all, I hope all of our 4-H youth are proud of the work that they did. That pride in the work you put into your project areas will often carry you farther than any recognition. I am proud of all our 4-H members.

As we find the time to recover from the fair and turn our attention to other summer plans, please be thinking about which qualifying projects you wish to send to the Kansas State Fair. I strongly encourage everyone who qualified to consider sending your exhibit on. The extra feedback and chance to show off your work are great opportunities! A list of State Fair eligible exhibits is included in this newsletter on pages 6-8.

On another note, I want to thank you all for being so welcoming to me as the 4-H Agent in Barton County. I enjoyed getting to meet and know all the families. You will still see me from time to time, and of course at the county fair. Please feel free to reach out for any letters of recommendation for scholarships and the like.

If you ever need anything. That's what I'm here for.

Every day is an opportunity for a new adventure!

Pathfinders Program

The Extension office is partnering with Barton Community College to host our inaugural Pathfinders Program on October 3rd on the college's main campus. This hands on educational program is for youth in grades 6-8 that are interested in exploring career opportunities and participate in team building exercises. The program will include two morning sessions where youth will experience what it is like to work in an ambulance with Emergency Medical Services and do some welding, plumbing, and construction to make an item they get to take home. Please save the date and we hope to see you there!

Barton County 4-H Shooting Sports

4-H Small Bore Rifle Practice began Tuesday, June 23 at 6:45 PM in the south rifle pit at Kiowa Gun Club. This is open to 4-H'ers 12-18 years old who completed the 4-H air rifle program in the fall of 2025/spring of 2026. Any questions, contact John Reh or Scott Smith.

4-H Shooting Sports is a great tool for teaching discipline, firearm safety, and accountability. For more information, reach out to John Reh at 620-786-0052 for rifle questions and Dustin Wyant at 620-617-6212 for Archery questions.

4-H Youth Leadership Council

There are two ways young people become members of the Kansas 4-H Youth Leadership Council.

Those who are selected as National Conference Delegates will serve a two-year term on the council. Applicants must be 15-18 before January 1, 2027. See information here: <https://www.kansas4-h.org/educational-experiences/project-based-events/conferences-events/national-4-h-conference/>

Youth may also run for a one-year term as a council representative. Youth Council Applicants must be 14-18 before January 1, 2027. See more information here: <https://www.kansas4-h.org/educational-experiences/teen-leadership-opportunities/youth-leadership-council/>

On the above-linked pages, there is a helpful memo outlining the process. The Process includes:

- Online Application submitted by 11:59 PM CST, Thursday, October 1, 2026.
- ***College and Career Tip*** – *There is an application template on the web that shows applicants the application questions in order. It should be used to formulate the application answers. Applicants know what is being asked; can plan ahead and be ready to just cut and paste edited and spell-checked essay answers from a word processing program into the application.*
- Online Reference from an Extension Staff or Volunteer. Should be completed by 11:59 PM CST on Thursday, October 1, 2026.
- *Signature Page: applicants scan and email to Kansas4H@ksu.edu before 11:59 PM CST, Thursday, October 1, 2026. An Extension Staff must be on this page.

This is a wonderful opportunity that I would be happy to chat with any interested 4-H'er about.

4-H Council	August 17 th	7:30 pm

Council committees meet before the meeting at 7 pm on meeting nights, or may schedule meetings at other times. At the April meeting, the Council voted to run the County Fair concession stand and hire a person to manage it, help the Dog project purchase agility equipment, and for each club to make two baskets for the Business Breakfast on Thursday morning.

Jr. Leaders will host a day camp on August 7th (tentative), and voted to do their peach fundraiser again. They have also released their scholarship application, which is due June 1st to the Extension office. Jr. Leaders will reimburse any Jr. Leader member who participates in Discovery Days their registration fee.

Please feel free to reach out to your club's representatives or Council officers with questions.
