

June 18, 2021

Dear 4-H Livestock Families,

The 4-H Ag Livestock Stall committee and the 4-H Livestock Superintendents met the other night to set the stall assignments for the 2021 Ellis Co. Fair. Attached to this email, you will find a DRAFT copy of the barn map.

We are very tight on numbers this year. The barns will be full!!

We ask that you review the attached maps and **if you have concerns or need additional space, please contact the Extension Office by Monday, June 28.** The 4-H Ag Livestock committee will meet that week and will make any adjustments and final approval of the maps at that time.

The committee will do what they can to work with any situations that arise. Know that with the tight space in the barns, you may need to locate tack in a joint location or outside of the barns.

A final barn map will be posted to the Ellis Co. 4-H website and mailed out to families following the 4-H Ag Livestock committee meeting.

Looking forward to working with your family at the Ellis Co. Fair!

Yours in 4-H,

Susan Schlichting
District Extension Agent
4-H Youth Development

Stacy Campbell
District Extension Agent
Agriculture

P.S. – Don't forget to register all of your animal and indoor exhibits into the [fairentry.com](https://www.fairentry.com) system by midnight, July 1. <https://www.fairentry.com/Fair/SignIn/14990> This includes showmanship, animal management skill-a-thon and livestock judging contests.

Animal Management Skill-a-thon will be open for participation July 1 – 11.
Livestock Judging will take place Friday, July 16.
