We are using the FairEntry.com “on-line” entry process for a portion of the livestock entry this year.

Step 1 – Complete this form and return it to the Cottonwood Extension Hays Office with the necessary fees (in 2 checks, please) by Tuesday, June 15.

Step 2 – Complete the additional forms included in this mailing and return to Cottonwood Extension Hays Office by Tuesday, June 15.

**Cloverbuds – Waiver of Liability
Regular Members – Drug Withdrawal Form**

(only needed for the Market Livestock that you are selling in the sale)

Step 3 – Sign on to <https://www.fairentry.com/Fair/SignIn/14990> using your 4-H family login and password from 4-H Online. Enter all of your exhibits, including animal projects and showmanship entries into this system by July 1.

Your official 4-H tagged livestock are already entered in the system for you to select as you enter your specific classes. Those of you showing Registered Breeding Beef animals, Horses, Rabbits and Poultry will need to “Add Animal” when you come to the entry page, adding the Birth Date, Breed and Tattoo information for each project animal. **Be sure to hit “SAVE”** as you work through this process. Those with Commercial Heifers will also add the birthdate of their animals. Follow the other directions as posted on the Ellis Co. 4-H website. **Your entries are not complete until you have gone through all of the screens and hit the “Submit” button.**

The system will open soon and close July 1. Go in and enter all of your 4-H and Open class exhibits. If you add some entries and hit “Submit”, you will need to wait until these entries have been approved in order to go in and add additional entries.

Step 4 – Pick up your pre-printed entry cards on Monday, July 12, 3 – 7 at the Deutschfest Hall.

STALL DEPOSIT

A stall deposit of \$5 a head is due for each large animal and \$5 per animal/entry for small animals per 4-H member. *For example, Chris Clover took one rabbit, two goats and a lamb. Chris's sister Samantha Clover brought one rabbit and one goat. Their family would write a check for \$30.00.* If the stalls and pens are cleaned to the satisfaction of the superintendents, the deposit check will be returned.

We recognize that some animals may need to be stalled separately. However, the space in the barn can be tight. Please be courteous to all involved and only request the number of pens your family will need to safely house your livestock projects. In the event that we fill the barn, you may need to use your own panels to divide a pen to fit the needs of your family.

PLEASE MAKE SEPARATE CHECK FOR STALL DEPOSIT
