This year you will be entering ALL livestock, horse, and small animal information to the fair entry system. You will need to “Add Animal” when you come to the entry page, add the Birth Date, Breed and Tattoo information for each project animal. Be sure to hit “SAVE” as you work through this process. Follow the other directions as posted on the Ellis Co. 4-H website. Your entries are not complete until you have gone through all of the screens and hit the “Submit” button.

The system is open now. Go in and enter all other 4-H and Open class exhibits by midnight on July 8. If you add some entries and hit “Submit”, you will need to wait until these entries have been approved in order to go in and add additional entries.

STALL DEPOSIT

A stall deposit of \$5 a head is due for each large animal and \$5 per animal/entry for small animals per 4-H member. *For example, Chris Clover took one rabbit, two goats and a lamb. Chris’s sister Samantha Clover brought one rabbit and one goat. Their family would write a check for \$30.00. If the stalls and pens are cleaned to the satisfaction of the superintendents, the deposit check will be returned after the fair.*

The space in the barn will be tight. Please be courteous to all involved and only request the number of pens your family will need to safely house your livestock projects. In the event that we fill the barn, you may need to use your own panels to divide a pen to fit the needs of your family.

PLEASE MAKE SEPARATE CHECK FOR STALL DEPOSIT
