STALL DEPOSIT

A stall deposit of \$5 per head is due for each large and small animal per 4-H member.

For example, Chris Clover took one rabbit, two goats and a lamb. Chris’s sister Samantha Clover brought one rabbit and one goat. Their family would write a check for \$30.00.

The space in the barn will be tight. Please be courteous to all involved and only request the number of pens your family will need to safely house your livestock projects. In the event that we fill the barn, you may need to use your own panels to divide a pen to fit the needs of your family.

Each family is asked to check out with an Extension Agent before leaving to receive their stall deposit. Forfeited deposits will be used to support improvements in the respective barn.

PLEASE MAKE SEPARATE CHECK FOR STALL DEPOSIT
