## Purposeful Play with Michelle Cummings

The philosopher Plato was once quoted as saying, "I can learn more about a person in an hour of play than a lifetime of conversation." In this workshop, Michelle Cummings will share insights and strategies on how to surface behaviors through play through experiential activities. This high-energy, hands-on workshop will teach participants how to play some of the industry's best icebreakers, leadership games and unique ways to reflect on what you are learning. Michelle will engage you physically, intellectually and mentally with lots of opportunity for laughter and learning. Attendees will discover how powerful the impact of the value of connection, leadership, and purposeful play have on the participants in your programs.

Michelle Cummings will share insights and strategies on how to surface behaviors through play through experiential activities. This high-energy, hands-on workshop will teach participants how to play some of the industry's best icebreakers, leadership games and unique ways to reflect on what you are learning. Michelle will engage you physically, intellectually and mentally with lots of opportunity for laughter and learning. Attendees will discover how powerful the impact of the value of connection, leadership, and purposeful play have on the participants in your programs.

### Learning Objectives:

1. Learn multiple hands-on activities you can utilize right away.
2. Each participant will receive a detailed handout with write-ups for each of the activities presented.
3. Enhance the participant experience by learning new ways to reflect on what they are learning.
