

Unofficial Ellis County 4-H Council Minutes April 30, 2019

The April 30, 2019 meeting was called to order by Anna Kuhn. We started by saying the flag salute and 4-H pledge. We did not have minutes from the last meeting. The treasurer's report was read by Kylie Dreiling and moved to approve by Taegan and seconded by Brandee. Motion carried.

For committee reports the Achievement Banquet, 4-H Day, Promotion talked about making a change to add Application Resume Interview category which is learning how to make an application, resume, and doing an interview and also adding extemporaneous speaking to all ages. They also talked about having some technology and room monitor issues. They have also set the date for achievement banquet the next two years which are October 26, 2019 and October 24, 2020.

The other committees Ag Livestock and Home Ec, BBQ, Foodstand didn't have a meeting before Council. For the Agent Report they are still looking for Superintendents and Assistant Superintendents for Cloverbuds, plant science, small pets, horses, and fiber arts. We would like to congratulate Jacob Schmeidler for winning the State 4-H Scholarship and like to thank everyone who participated in the Cookie Thank You Project. Each club need to have members sign up to be fair volunteers.

There was no old business to talk about. For new business Heather moved to approve committee reports. It was seconded by Grace. Motion carried.

Then we broke into our different committee groups Old Timer's Fitting and Showing talked about the cost which is \$15 from now to July 12th and \$20 the day of the event. Photo Day Camp is going to be June 20th from 9-5 at the Ag Research Center. The committee to promote fair before and during fair talked about where to place the flyers and what the flyer talks about, have some kids go on the radio station and talk about their experience at the fair and how 4-H has made them who they are today, and also creating a Twitter or Instagram to show what is going on the week of fair.

Then we talked about setting a date for Council to put picnic tables together, but some of the kids thought of making it a pride project so Grace moved to take back to our clubs to see if they would do this as a pride project and Brandee second the motion. Motion carried. Jill Pfannenstiel also added that if anyone was interested in doing an interview with the fair board for their Facebook page to talk about fair is welcomed to give Jill a call or send her an email. The next meeting was set at this meeting which is June 4th at 6pm. Taegan moved to adjourn the meeting and Kylie second that motion. Meeting adjourned.

Respectfully Submitted,
Megan Howe, Recorder
