The Home Ec/BBQ/Food stand meeting was called to order by Marisa Wasinger on May 9, 2019 at 5:30pm. A sign-in sheet was sent around. Kylie Dreiling will be the secretary/recorder for the meeting.

Amy and Marisa Wasinger reported on the Foodstand scheduling the Foodstand will be open on Monday night from 5-8pm with a limited menu and will run throughout the week until Saturday. The schedule for Saturday, July 20th will be from 7:30-11am with full crew, 11-5pm with skeleton crew, and from 5-9pm with full crew again. Foodstand will close at 9pm.

The Exhibitor Breakfast will be on Tuesday, July 16th. It will be in 2 locations (building and foodstand). This will allow for access by exhibitors that are located in both areas. There will be a choice of 2 different kinds of breakfast items.

Mary and Grace B. Schmeidler gave the foodstand menu report. There will be changes in items offered on the menu for this next year. Meal Deals will be included on the menus so that on certain days items will only be offered. There will be no corn dogs or brownies this year. Will add a fresh fruit option of apples and bananas. This fruit will be in small quantities. Prices will change on chicken bacon wraps from \$2.50 to \$4.50. Menus will be revised to make it easier to read.

The group discussed at this point feedback from the 2018 fair.

-Breakfast burritos will utilize bacon in them this year. Bonnie Werth will check with NCK-Tech to see about them making and serving the breakfast burritos. Burritos will serve at the Deutschfest Hall and biscuits and gravy in the Foodstand for the Exhibitor Breakfast.

-There will be meal deals that will include fries.

-The creative names utilized in previous years was confusing to some of the children working at the windows as explanations were required to be given to those ordering and was a hassle to explain. Each item on the menu will be just what it is.

-Increased price on chicken wraps.

-Menus will be revised to be easier to read and understand.

-Group discussed the flow of the food service and will continue to address this in further meetings to make changes.

- Bottled water will be sold in the next year. If water is donated for specific purpose it will be placed somewhere other than the foodstand so to not utilize it from a donated business.
