Adjourn

Fair Feedback

## BBQ

- Having the 4-H BBQ and Livestock Sale on Saturday night - having it on Saturday night was inconvenient for those attending church services on Saturday evenings, the exhibits in the buildings were already gone, so some that attend the BBQ to simply support 4-H chose not to this year because of that, also fair is long enough the way it is...by the time Saturday rolls around, a lot of people are just "done".
- Move BBQ back to Friday – 2 – approved at September 2018 meeting
- Kickoff BBQ instead of Wrap Up
- Lots of carry out meals – 40 containers used – included in bid – many came and got their meal and took it down to the sale
- Good meal
- Sold 550 tickets – 100 in advance (still had some remaining at the door – most years, these are sold out by mid-week)
- Great help throughout
- Don't need as many in the kitchen
- BBQ advertised in the arena
- Fairboard providing meal for buyers in 2019
- Apples and bananas, cookies didn't go over – pies, cakes, cupcakes better
- Less carrots
- Bid sheet – ask about caterer needs – caterer needed extra tables to heat food
- Create infomercial to encourage participation

## 4-H Foodstand

- Italian sausage not a good flavor on breakfast burritos
- Got lots of food for the \$\$s
- Use Eartags for Numbers
- Burgers don't come with fries
- Well organized
- The food was amazing +2
- Put the creative names back on the foodstand menu items please
- Increase prices on chicken wraps
- Revise Order Forms
- No Corn Dogs
- 4 cash boxes for transitioning shifts
- Raise age for tasks
- Training videos a great addition
- Rethink the flow of the food service
- Don't sell bottled water
- Saturday scheduling?
