Fair Feedback

BBQ

- Sold 308 tickets in advance – 125 held for sales during the week (still had 25 remaining at the door – most years, these are sold out by mid-week) – 435 is number given to caterer
- Great help throughout
- Several clubs had families turning in \$s to the office instead of to their club rep – reinforce that one person needs to be responsible for everyone's tickets and money
- 3 families had not turned in money and tickets to their club reps by the deadline – consider making a policy that if you don't turn tickets in to the office, you are liable for the cost of those tickets and will be billed accordingly!! We have to honor a number with a caterer and they need to meet the deadline so we can give an accurate number to the caterer!!
- Only 4 kids sold the 25 tickets to receive the incentive of a \$10 punch card
- Great food
- Always a lot of food left
- Volunteer help good – great take down crew
- Ask Karl Meis to play accordion music during the bbq

4-H Foodstand

- Pawnee Co. – meal deals / daily specials – Baked potato with toppings – Hamburger or brat – Sloppy Joes, Breakfast burritos – They provide forms and the customer fills out the order and hands it in
- Fries and burgers needed to be cooked a little longer
- Pork burgers – yum – Wednesday special good
- Cinnamon rolls – wow!
- Look into roller shade for west side of stand
- What about installing misters around food stand?
- Ice cream cookies a good addition
- Sell fruit slushie cups in both locations
- Pick up trash all day long
- Have two people count at end of the night

Fashion Revue 2019

- Flexible Scheduling worked great
- Great judges
- Great participation –Ran 65 programs – all were gone
- Look at adding a Boys Constructed Award category or continue the Jr. all included constructed
- Emcees – Anna, Devlyn, Jaylinn & Jacob did a great job projecting!

Exhibitor Breakfast

- Not good having two locations – keep both @ food stand – having breakfast burritos catered worked
