## **2020 Fair Feedback**

### **4-H Foodstand**

- Great Foodstand Committee support!
- Very short handed throughout the week! Maybe go back to clubs being accountable for filling volunteer shifts. We had several times that we had shut down for awhile. Maybe only offer drinks in the middle of the day. Just serve breakfast and supper?
- New grills work great!
- Serve and advertise Ellis Co. raised beef at the foodstand – ask for donations
- Chicken bacon wraps very good. A lot of food.
- Pancakes were a hit.
- French fries – quality control – a little crunchy
- Need hand sanitizer stations at the foodstand

### **Fashion Revue 2020**

- Move clothing construction judging to fashion revue day?
- Review Clothing / Fashion Revue in the fairbook – ages don't work well. Need to be consistent with Jr. / Int. / Sr.
- Laid back flow for the day – schedule flowed well.
- Liked doing the judging in the Unrein building – more private – further apart – liked this set up
- Stage looked great!
- Great team – worked together well.
- Script editing before the show, good - script readers need to practice before show
- Recognizing graduating seniors during Fashion Revue good
- Create an adobe spark video – How to write a script. What to include.

### **Exhibitor Breakfast**

- Tickets to 4-H members and volunteers didn't make people happy. Parents expect to eat.
- 109 coupons were turned in. Normal year we feed about 150 during the breakfast.
