**THANK YOU FOR SERVING ON Home Ec, BBQ, Foodstand Committee in 2021!**

## **2021 Fair Feedback Comments submitted for this Committee's consideration**

### **Lifeskills**

- Very few participated – how can we boost participation?

### **Fashion Revue**

- Moving clothing construction judging to fashion revue day worked well.
- Add Jr. and Sr. in fairbook in division “not all ages” for \$15 challenge
- Decorations fabulous
- Add to script – pick up ribbons at end of show
- Having paper with photo due at check in worked well
- Everyone who wears clothes can benefit – create interview outfits – 2

### **Foodstand – very short handed!**

- Sign up is a problem – need to go back to club scheduling
- Credit card good – over \$2,200 in business

### **Exhibitor Breakfast**

- pancakes were good
- Complaint that food was cold – serve indoors through the windows

### **4-H Council Comments**

#### **Foodstand Volunteer Suggestions**

- Each club take a day – draw from a hat for first time, then rotate each year. Shooting Sports fill in where needed – Each club would know well in advance what their day is and can arrange schedules
- Longer shifts – training took too much time
- Opportunities for additional volunteers – Create a volunteer bank of 4-H'ers willing to work multiple shifts, 4-H alums and community members
- Need families to step up – a family affair!
- Invite 4-H alums to help
- Drawing for those working additional hours
- Foodstand “Stars”
- Point system – part of club competition
- 4-H Council youth leaders responsible for finding workers to fill the gaps.
- Liked working with others in the 4-H Foodstand.

#### **“Make the Best Better”**

- Bring back the 4-H BBQ
- Bring back the 4-H Food Challenge
- Trash – need to make families aware of the wagon for moving trash & location of trash bags – last shift of the night should pull and tie off trash. Leave by the barrels for the prisoners to pick up in the morning
- Need some training at the club level on how to do the duties
